

As we begin Labor Day weekend, I would like to thank the dedicated employees of the City of Manchester for all you do to keep our city running smoothly and efficiently! Your work is why Manchester is such a great place to live, a great place to retire, a great place to relocate to, and the best place to raise a family! I would also like to thank our local business owners and employees, our local healthcare folks, our public servants, our educators, and many others for all of your contributions! Our city thrives because of you as well. On Monday, while many of us enjoy a day off, we all will have countless neighbors and friends working. They will be behind the cash registers, in the patrol cars, taking your dinner orders, and tending to the sick. Let's all remember to thank them when we are out and about Monday! As we celebrate Labor Day, let us also reflect on our recent fire and how we have all labored together to assist our neighbors during their time of terrible misfortune. The spirit of unity and resilience that defines our town is evident, and I am proud to lead such a vibrant and caring city. On behalf of my colleagues on the Board of Mayor and Alderman, we wish you a safe and joyful Labor Day!
