

## Mayor's 2027 Budget Message

To: BOMA and Citizens of the City of Manchester

Re: City Budget for Fiscal Year 2027 (FY27)

The FY27 Budget was developed under the Mayor and BOMA, with full consideration given to community-based priorities. These priorities are:

- Responsible budgeting and financial management
- Maintaining a high level of public safety
- Expanding the city's infrastructure
- Building a positive city identity

The 2027 Budget takes into account various economic challenges, and that community growth will further the demands for City services. Rising costs due to inflation continue to put pressure on capital projects, labor, and non-labor items across all City Funds. The City's leadership remains dedicated to cost-effectively delivering these services.

The City's largest revenue sources are sales and property taxes. Revenues are conservatively projected over the next twelve months to increase 3-5%.

On the expense side, the City's most significant expenditure category is employee-related costs. The City's compensation plan is market-based to attract and retain knowledgeable, highly productive employees in a cost-effective way.

Due to a decrease in the high employee turnover rate from around 35% to less than 10%, the City has benefited from payroll savings associated with employee retention. During FY26, the City reviewed and updated its classification and compensation plan to strengthen employee recruitment and retention. As a result, the City achieved a turnover rate of under 10% across all departments.

The focus in the FY26 General Fund Budget was to invest in City-owned equipment, technology, and employee retention.

FY26 budget included over \$5.2 million in reinvesting in the City from the General Fund

- \$1.4 million Manchester Fire Department
- \$750,000 Manchester Police Department
- \$750,000 Manchester Public Works Department
- \$1.3 million Manchester Parks & Rec Department
- \$500,000 newly created city employee positions
- \$750,000 increase to schools totaling \$2.6 million annually from the City

The focus in the FY26 Water Sewer budget was to spend the money received from the American Rescue Plan Act (ARPA) on sewer infrastructure projects that have to be completed by September 2026, and invest in department staff and equipment.

FY26 Water Sewer Budget- \$14 million in infrastructure spends

- \$11 million in sewer projects - ARPA State / Fund Grant funds- with City match
- \$1 million on Water/Sewer Treatment plant
- \$500,000 new equipment for staff
- \$ 2.5 million budgeted for repair and maintenance of water/sewer

Over the past three years, the City has increased employee pay by 17%. With the proposed FY27 budget, total pay increases will reach 25% over the four years from FY24 through FY27. The City implemented a longevity pay benefit of \$1,040 per year for employees after five years of service. Beginning in the FY26 budget, this same increase will be applied for every additional five years of service. Employees with 20 years of service received an increase last year of \$4,160 (\$2.00 per hour).

## **FY27 Budget**

The proposed FY27 Operating Budget is balanced, and no tax increase is recommended. Last year, several initiatives were funded with the expectation that their expenditures would carry over into FY27. Those amounts are now reflected in this year's Assigned Fund Balance. The FY27 Budget incorporates pay increases to full-time employees of 6-8%. In addition, health care expenses increased 11.2%. The City will increase its contribution to employee health care by \$270,000 to cover rising costs. As a result, employees will not see any increase in their health care premiums for FY27.

The FY27 Budget also incorporated a 10% increase in General Liability, a 1.7% increase in Workers Comp, and a 10% increase in Property insurance premiums.

Credit is owed to many for their diligent work on this budget: the City Finance Department, the Directors of each department, and BOMA. Upon adoption of this budget, all staff will continue their dedication to maintaining the City's strong financial standing. That dedication ensures that Manchester remains an excellent place to live, work, and visit.

Respectfully submitted,
