

**Coffee County
Children's Advocacy
Center**

September 3, 2020

Together, the City of Manchester and Coffee County Children's Advocacy Center have decided that in the interest of everyone's health and well-being that Safe on the Square will not take place this year. This was a difficult decision as this event has become a community tradition and something so many children look forward to annually. However, we both agreed that it was the appropriate decision at this time. Coffee County Children's Advocacy Center will work hard to bring Safe on the Square back in 2021 bigger and better than ever.

We appreciate your understanding and past support of this family friendly event.

Mayor Lonnie Norman
